

ENDURAFRAME™ 1500

TEMPORARY SIGNS

The EnduraFrame 1500 is a plastic quickfit mini sign frame that is compatible with standard 300mm centre quickfit sign faces.

This compact frame is lighter, thinner and more durable than metal and plastic equivalents. Space and weight limitations are improved in works vehicles compared to using single piece chapter 8 signs.

Built-in branding such as corporate colours and embossed company logos make it easy to identify and keep track of site equipment.
