

LANTIS® BARRIER

PEDESTRIAN BARRIER

The Lantis Barrier is a recycled plastic barrier fence. With the ability to be used in parades, sporting events, ticketing lines and much more, it's a versatile solution. Lighter than steel, yet significantly more long-lasting, the Lantis Barrier is a replacement for metal pedestrian barriers.

PRODUCT RANGE

LANTIS® BARRIER

Usage Benefits

- ▶ A closed loop recycling product: made of PCR plastic
- ▶ Robust & long-lasting 'drive-over' toughness, which springs back into shape
